# **P**ROPHECY **P**ROOF **P**ROVISION

**There are thirty-one preestablished prophecies supporting Daniel's visions. We can count on these prophecies coming to life in five primary global events. The first is five nations featured in his visions – Israel, Europe, Russia, Babylon, and America.**

GOD'S JEWS RETURNING TO ISRAEL

ESCHATOLOGY

# FATHER ABRAHAM

GENESIS TWELVE ONE-THREE

**This passage has started more wars for Israel than any other reason. The lion's share of people hate the Jews because of God's four unconditional promises to Abraham. As we study world history, God has kept these promises since that day. While Israel is one of the smallest countries globally, she is the most powerful AND the most feared. Meaning any nation that insults her will have to deal with the wrath of God. One day, any nation or individual who suffers disbelief in this prophecy will suffocate on their words. Not to mention be tossed into the pit of Hell with God's greatest enemy – Satan.**

STUDY CHAPTER SEVEN  
KEY VERSES  
7:4-5

*"The first was like a lion and had the wings of an eagle. I kept looking until its wings were plucked, and it was lifted up from the ground and made to stand on two feet like a man; a human mind also was given to it. And behold, another beast, a second one, resembling a bear. And it was raised up on one side, and three ribs were in its mouth between its teeth; and thus, they said to it, 'Arise, devour much meat!' "*

DANIEL | THE TALE OF FOUR KINGS

# THE FIRST BEAST

The first beast coming out of the sea was like a lion. However, the lion had the wings of an eagle, that is, until they were plucked. Quickly the lion rose from the ground and made to stand upon its feet like a man. Not only that, the lion was given a human mind.

# THE SECOND BEAST

A bear is inferior to a lion. A lion functions through strategies. A bear, however, is known for devouring flesh in its pathway. Meaning the bear will be a brutal war force destroying the flesh of men. While a bear is feared, it is slow, awkward, and depends on brute force to conquer its enemies. While the lion is sizing up Nebuchadnezzar and the final Antichrist as super-kings, the bear brings out the brute strength in war, as in the Medo-Persian empire and that of the Beast in Revelation's book. Both could be labeled as "bullies."

# WHY THE 7 COUNTRIES

- 1. Magog:** Genesis 10:2 shows us Magog was the second son of Japheth and the grandson of Noah. In due time all the original territories of Rosh settled north of the Black Sea. All the countries with “stan” at the end of their names are from the original group of Europeans - each was fair-skinned like Japheth.
- 2. Meshech and Tubal:** Both of these men were the fifth and sixth sons of Japheth and, therefore, grandsons of Noah. The descendants of these men established cities and territories bearing their names – Meshech as Moscow and Tubal as Tobolsk – both cities in Russia. Most of the cities in Turkey were established by their descendants.
- 3. Persia:** Ezekiel 38:5 includes Persian joining forces with Rosh (Russia) in the last days' invasion of Israel. To give you context, in 1935, Persia changed its name to Iran and then again in 1979, changed it again to the Islamic Republic of Iran. Keep your eye on an up-and-coming alliance between Russia and Iran. Both will be leading forces in the prophetic attack on Israel.
- 4. Ethiopia:** This country was established by Cush, yes, another grandson of Noah. However, this time from his cursed son, Ham (Gen. 10:6). When Ezekiel stated his prophecy, Ethiopia was where Sudan is today. As Israel states, Iran and Sudan are their fiercest enemies. Due to Iranians' cousin relationship, Russia will quickly adopt Sudan/Ethiopia as their alliance.
- 5. Libya:** Is founded by Put, another son of Ham. Today, Russia has the favor and support of Libya, Iran, and Syria. As with most of the descendants of Ham, these countries are populated by Islamic extremists. It is rumored that Russia has been working on a plan of uniting the Islamic groups. Russia knows that the key to an invasion of Israel is partnering with Israel's enemies – the sons of Ishmael.
- 6. Gomer:** Gomer was the first son of Japheth, Noah's son. At the same time, history reveals that Gomer is the landmass north of the Black Sea; many, including Germany's history, state that Gomer is present-day Germany. After centuries of fighting, this is probably the land the descendants of Gomer ended up with. Therefore, it is imperative that Russia either takes Germany as their own or form a peace agreement between anti-Semitic Germany and anti-Semitic Russia.
- 7. Togarmah:** Togarmah was the third son of Gomer. The country of Turkey today is the territory Ezekiel depicts as “the house of Togarmah from the far north and all its troops.” Turkey is the gateway to Israel, minimally one of the main gates. Russia aligns itself with Turkey.

# IN CONCLUSION

Thus far in Daniel's vision, we know a world leader will come forth from the Black Sea. Secondly we know that the bear morphs into the Russian empire. We also know that the northern bear will partner with Islamic power-players worldwide. Finally, we know that Russia has a massive challenge in winning the support of China, which might require a one-world leader to sort out.

## #20 DANIEL'S VISIONS PART THREE

DANIEL | THE TALE OF FOUR KINGS

This episode will unfold the historical details of the final two beasts that rise from the Black Sea. We will review the leopard and the dragon, who had ten horns. We will also disclose relevant details of Russia's attack on Ukraine and how it cuts a pathway to Turkey, ultimately putting Russia at Israel's door. Will Russia and its allies attack Israel? Where will this invasion occur? When will the invasion occur? We will answer these questions.
