TODAY'S PASSAGE **Revelation 16:1-12**

“Then I heard a loud voice from the temple, saying to the seven angels, “Go and pour out on the earth the seven bowls of the wrath of God.” So the first angel went and poured out his bowl on the earth; and it became a loathsome and malignant sore on the people who had the mark of the beast and who worshiped his image. The second angel poured out his bowl into the sea, and it became blood like that of a dead man; and every living thing in the sea died. Then the third angel poured out his bowl into the rivers and the springs of waters; and they became blood. And I heard the angel of the waters saying, “Righteous are You, who are and who were, O Holy One, because You judged these things; for they poured out the blood of saints and prophets, and You have given them blood to drink. They deserve it.” And I heard the altar saying, “Yes, O Lord God, the Almighty, true and righteous are Your judgments.” The fourth angel poured out his bowl upon the sun, and it was given to it to scorch men with fire. Men were scorched with fierce heat; and they blasphemed the name of God who has the power over these plagues, and they did not repent so as to give Him glory. Then the fifth angel poured out his bowl on the throne of the beast, and his kingdom became darkened; and they gnawed their tongues because of pain, and they blasphemed the God of heaven because of their pains and their sores; and they did not repent of their deeds. The sixth angel poured out his bowl on the great river, the Euphrates; and its water was dried up, so that the way would be prepared for the kings from the east.”

Then the seventh angel poured out his bowl upon the air, and a loud voice came out of the temple from the throne, saying, “It is done.” (Revelation 16:17)

THINGS ARE HEATING UP

THE BOWLS OF WRATH

Chapter 16 opens with the day all mankind has feared – the pouring out of the Seven Vials of Wrath. We just came from a scene in Heaven where smoke from the Glory of God filled the Temple; where nothing else mattered, except the announcement of the Seven Vials. Now, we have the outpouring.

THE FIRST BOWL

The First Vial - malignant sores: Remember the days of Job, when Satan afflicted Job with malignant sores? Even though this Vial is payback for all the physical afflictions Satan thrust upon God's people, the story of Job revealed God answering the prayers of his supplication. **It's payback time, Satan.** Now we will see if His people respond as righteously as Job did. The answer – not! We also see the comparison of the sixth plague placed upon the Egyptians during Moses's time but from the Hand of God. It was directed against the Egyptian magicians, Jannes and Jambres, to not stand before Moses. So here, the plague is sent upon those who in the beast worshiped & practiced sorcery. As they submit to the mark of the beast, so they must bear the mark of the avenging God. We will see many parallels between the plagues of Egypt and the Seven Vials. But this time, these are not plagues to warn; they are acts of conclusive judgments. In any case, in this verse, we now see God marking the followers of the “ultimate Pharaoh” with malignant sores.

THE SECOND BOWL

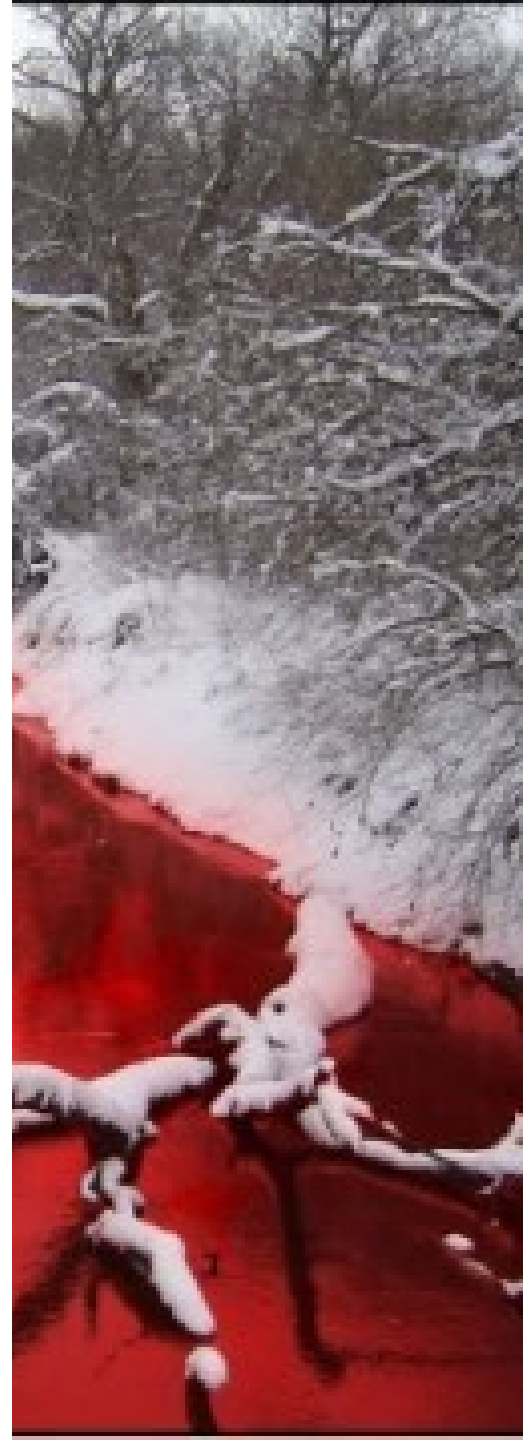

The Second Vial – Sea of Blood: Even though we explain one Vial at a time, they will most likely be poured out in rapid succession. The only reason we know of God putting “pauses” between the plagues of Moses was due to the fact they were warnings. These are NOT warnings; God is finishing the unfinished!

Again, just like in the days of Moses, instead of a river being turned to blood, an entire sea becomes blood. No, this is not dyed from red dirt; it is actual blood. It is always a mystery to me where some “theologians” get their ideas. If God says it's blood, then it's blood. If He were going to use the dye from dirt, He would have said so. Plus, how can every living thing in the sea die if it was mud? If God used the real deal with Moses and the Pharaoh, why would he use symbolism in the end? Be assured, it is literal, and it will happen exactly the way His Word states.

THE THIRD BOWL

The Third Vial – Rivers of Blood: Now, God moves from the earth's water mass to pinching off the fresh water supply, the rivers, and fresh springs. Now their drinking and bathing will come to an end - not to mention the stench from the smell of spilled blood. Then the angel reports back to Heaven, shouting out praises to the Holy One and giving us why God poured out this Vial. He states that because they (followers of Satan) have spilled the Saint's and prophets' blood, God turns all water into blood. Then the angel says something many Christians find hard to hear – they deserve it. Another angel finishes with a statement that God's actions are righteous and true.

THE FOURTH BOWL

The Fourth Vial – Scorching Sun: This one will certainly hurt, but not enough. Angel four pours his bowl onto the sun, causing it to intensify to the point of frying flesh. Let's review: we have malignant sores, dehydrated bodies, and now, scorched and fried flesh. Do you recall all the burning of Christians throughout history? God does! All the Vials are directly related to each of these servants' prayers, as they were being burned to death by the hand of Satan. This is something God does not take lightly, and we see the payback in this passage.

THE FIFTH BOWL

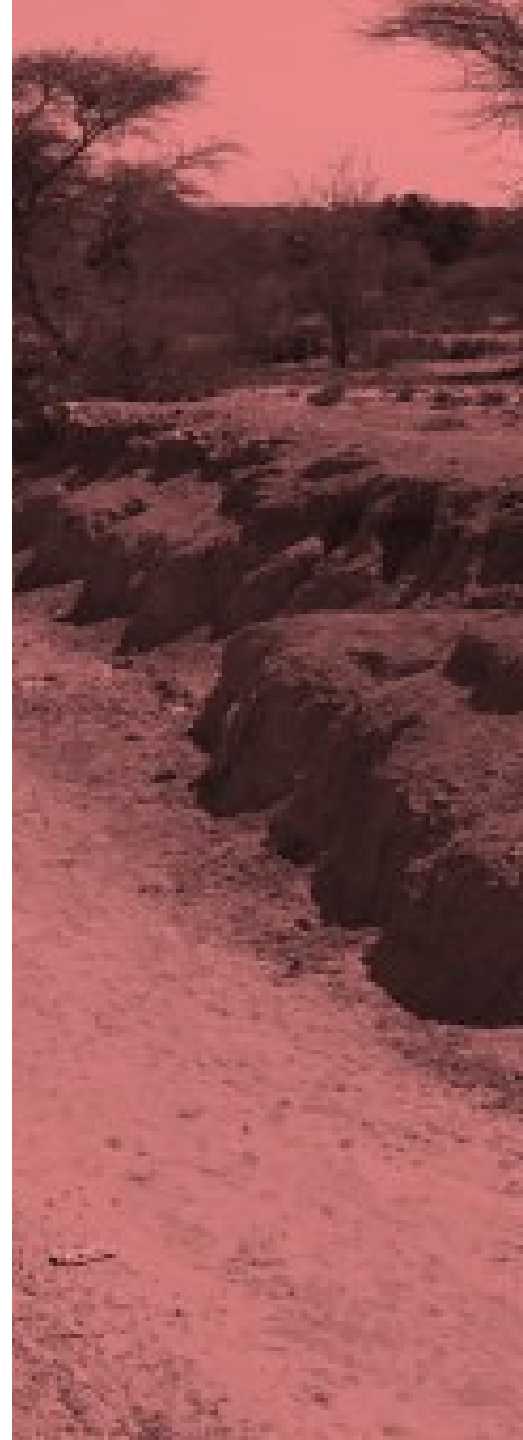

The Fifth Vial – Satan's Throne is Darkened: All the Vials have been directed toward Satan's followers up to this point. But this one is directed at Satan's throne or that of the Antichrist. The result - his global government, is darkened, sucked dry of power, and satanic glory. By this point, the people are ready to start eating their flesh; they are in such a bad way. Yet, they have enough spit in their mouths to blaspheme God. How can this be? God is simply making His point. When Satan brought like-minded pain on Job, he did not curse God. Here we find Satan's followers doing the very opposite of Job. God is proving His children's integrity, something Satan does not want to hear, let alone see.

THE SIXTH BOWL

The Sixth Vial – Dries The Riverbed: Now you get to see the red dirt. God dries up this blood-filled river and makes it a pathway for the Kings of the East. How does He do it? How did He dry up the Red Sea or the River Jordan? He will most likely do it the same way – by His mighty hand. The moment God dries the riverbed, this is what happens.

“And I saw coming out of the mouth of the dragon and out of the mouth of the beast and out of the mouth of the false prophet, three unclean spirits like frogs; for they are spirits of demons, performing signs, which go out to the kings of the whole world, to gather them together for the war of the great day of God, the Almighty.” (Revelation 16:13-14)

THE SEVENTH BOWL

The Seventh Vial – God Defiles the Air: This is the final and most tragic. God shouts through thunder, which activates a massive earthquake – one that has never occurred to this magnitude. An earthquake that no human can escape. His purpose? To split Jerusalem into three separate landmasses. Secondly, this earthquake causes cities of ALL nations to fall. Every trace of Babylon hidden within all cultures is erased.

Interesting as it is, all islands and mountains are evaporated from the earth. Wait, there's more. Hailstones, one hundred pounds each, came down from Heaven, which caused humanity to blasphemy God. Once all of humanity is finished revealing their bitterness toward God, it is finished. Since all humans must die before standing before the Judgment of God, after the seventh vial, all are dead.

IN CONCLUSION

Yes, most of those who resist will indeed be slaughtered, but the 144,000 pure bloodline Jews will not. The reason? Because each is marked with the mark of Christ – 777. The very reason Satan hunts them down like a dog. Attempting to destroy them. As our scripture's states, God protects them.

During the reign of the Antichrist, not all will bow and worship him nor receive his mark.
