Christians today seem to think that the great falling away started in our present generation – however, this demise has been around since Jesus stepped into ministry, or even His birth.

THE FALLING AWAY

IM ESCHATOLOGY SERIES

Satan does not waste time. Nor do his benefactors, demons. The temptations of departure from authentic faith were seen as early as Peter denying Jesus BEFORE His death on the cross. Thus, the “falling away” is not of a new cultural origin. Since the day Jesus was born, the masses began organizing ways to rid this child of influence. In fact, He started His life with two supporters – Mary and Joseph.

IN CONCLUSION

Our story unfolds yet another brazen king who leads Babylon down a highly insulting path to the Hebrew God of the Jews. This time, however, the king insults God directly by drinking wine from the Holiest cups known to the Jewish people, which I might add were blessed and preserved by the mighty hand of God.
