HAND ME MY SWORD

Welcome

The Prophetic Life of Nehemiah

- We live in a world that needs a modern-day Nehemiah.
- Israel is under attack 24-hours a day.
- One by one countries are turning against our mother land – Israel.
- Israel's political & cultural walls are down.
- She is now considered one of the leading 'liberal' countries.
- What can the Body of Christ do to help her?

“

The remnant there in the province who survived the captivity are in great distress and reproach, and the wall of Jerusalem is broken down and its gates are burned with fire.

Nehemiah 1:3

”

History

Nehemiah's Back Story

At the time of Nehemiah, the protective walls guarding Jerusalem were broken down. The morale & infrastructure of the city was deplorable. The Jews were acting like Babylonians. The men of the city were lazy and functioned like cowards. The leadership was covertly allowing religions outside of Judaism to penetrate the hearts of their people - resulting in a pluralistic lukewarm liberal society.

We Need Modern Day Nehemiahs

NEHEMIAH'S CHARACTER

Nehemiah was a gifted young man. He was known for his immovability in Judaism, politics, and ability to build. He was born in Babylon and raised in exile - he understood the ramifications of bondage. He grew up under a father who was passionate regarding the preservation of Israel.

Nothing **NEW UNDER THE SUN**

History Tends To Repeat Itself.

Solomon Once Said

“There is nothing new under the sun.” No truer words.

Satan is predictable. Since he is not an originator, he reuses the same madness methods throughout continuous history. The keynote to remember is, Babylon has and will continue to be Satan’s kingdom of darkness.

Many eschatologists consider America to be this new Babylon. While I get their logic in this claim, Babylon is a global system of function - in belief AND governance. If you look carefully, you can see symbols, rhetoric, and religious beliefs splattered throughout every country in our modern world today.

Primary Principles of Our Lesson

Remembering The Top Points of Communication

1.

REMNANT

God always maintains a 'remnant' in each generation.

2.

NEW NEHEMIAH

When a city or culture falls, God raises a Nehemiah.

3.

HEROES NEEDED

When men act as 'cowards,' God reveals a hero.

4.

LEADERSHIP

God only uses leaders who are immovable in beliefs, politics, & leadership.

Nehemiah's Journey

Discover the supernatural pathway of this man's life.

Jewish tradition identifies Nehemiah himself as the primary author of this historical book. Much of the book is written from his first-person perspective.
