PROPHECY **P**ROOF **P**ROVISION

In our study, we have been blessed with a revelation of God by Nebuchadnezzar's dream of the statue of empires. The first was Nebuchadnezzar's Babylon, the second is the Medo-Persian empire, the third was Greece, and the fourth was Rome. After Rome fell, Rome had a rebirth of sorts through 10 kingdoms that surfaced in our modern-day Europe. Each of these kingdoms was established by a group called the Germanic tribe, modern-day Germany. These kingdoms morphed into the European Union.

EUROPEAN UNION

THE THREE HORNS OF POWER

Presently the EU government is tightly organized into three primary bodies: the European Parliament, the Council of European Union, and the European Commission. The Parliament passes laws, the Council establishes foreign policies, and the Commission manages global economies – they lead the European Banking system. A special note: all this is accomplished on the ancient dirt of old Rome.

REVIEWING OUR SCRIPTURES

STUDY CHAPTER SEVEN
KEY VERSES
7:9-12

"I kept looking until thrones were set up, and the Ancient of Days took His seat; His vesture was like white snow and the hair of His head like pure wool. His throne was ablaze with flames, Its wheels were a burning fire. 'A river of fire was flowing and coming out from before Him; Thousands upon thousands were attending Him, and myriads upon myriads were standing before Him; The court sat, and the books were opened. 'Then I kept looking because of the sound of the boastful words which the horn was speaking; I kept looking until the beast was slain, and its body was destroyed and given to the burning fire. As for the rest of the beasts, their dominion was taken away, but an extension of life was granted to them for an appointed period of time.'"

DANIEL | THE TALE OF FOUR KINGS

COMING ONE-WORLD LEADER

“Little Horn” in Daniels's vision isn't so little. This single horn will be a supreme leader from among the ten-leader confederacy in Europe. The superpower leader will speak evil things regarding the God of the Hebrews. He will persecute the remaining 144,000 pure bloodline Jews. He will inflict laws that isolate the organic Jews, much like Hitler attempted to do.

FAKE PEACE TREATY

In our study, Daniel prophesizes a treaty that will be signed between the Jewish people and the leader of the Roman Empire – the old and the new (Daniel 9:27). Fact. Israel will sign a treaty with the Antichrist in the end. However, as this verse reveals, it is only a “week of years” – three and a half years.

ANCIENT OF DAYS

The Ancient of Days is none other than God the Father. The judgment seat of Jesus is seen in Daniel's vision. A couple things happen during the 1,000-year Millennial. First, everyone who accepted the indwelling Life of Jesus as their Savior, from Pentecost until the Rapture, will give an account of themselves before the Lord.

HUMAN BOOKS OPENED

After Jesus Christ takes His seat as the Ancient of Days, the Antichrist is sealed in the pit of fire for 1,000-years of Christ's Judgment. Daniel describes the appearance of Christ as pure white hair like snow, His throne is ablaze with flames, and a river of fire flows from His throne.

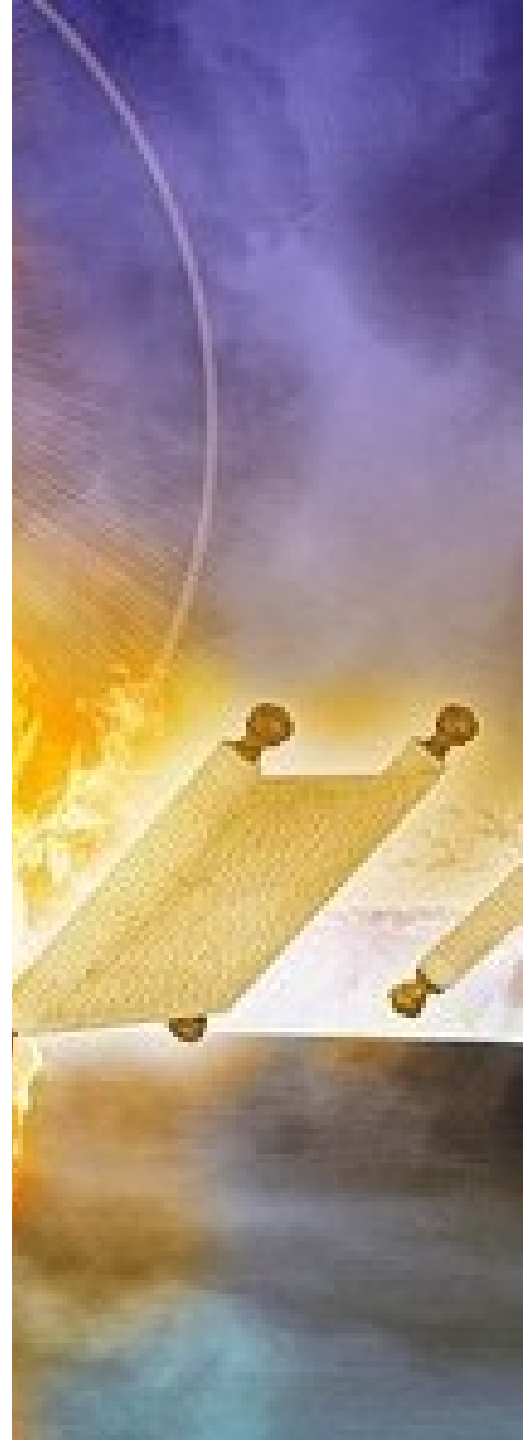

INTERPRETATION BY **AN ANGEL**

Daniel's vision was troubling to his soul. Due to this, he approached an angel standing by what all this meant. First, the angel explains the four beasts, the four superpower kingdoms that would arise. Then, a remarkable revelation is given to Daniel.

IN CONCLUSION

Today we learned about the Ancient of Days; God the Father hands over the power to rule the earth. Jesus's first act of judgment was to hand out the rewards to the born-again believers. His second act was to chain Satan and put him in the pit of burning flames – for one-thousand years. His third and final act was to open the books of records of all unsaved humans and judge them according to their deeds.

#22 DANIEL'S RAM & GOAT

DANIEL | THE TALE OF FOUR KINGS

The ram and goat vision of Daniel chapter 8 is usually solely interpreted in accord with the translated text stated in Daniel 8:20-21, Ram = Medo-Persia Goat = Greece. The first horn of the goat is commonly viewed as Alexander the Great and the little horn as the Greek king Antiochus Epiphanes (who desecrated the temple about 168 BC). We will explore the impact of this vision on modern-times.
